To Whom it may Concern

April 2016

Dear Sirs

Re: A J Scaffolding Ltd – 19 Armstrong Rd, Manor Trading Estate, Benfleet

I have been asked if I could provide a reference for the above listed scaffolding company.

I have been working with A J Scaffolding on many projects over the last 10 years on projects ranging from £1500 - £250,000 of scaffold requirements and not once have they given me any cause for concern.

They have always been spot on with the product along with the relevant paperwork that is required.

They have stood the test of time with me for being competitive and are always on time with their works.

I therefore am happy to write this reference. Should you require any further information please contact me on the numbers below and I will be pleased to help.

Yours faithfully

For and on behalf of Breyer Group Plc
